EVERY HOME IN THE CITY

Will receive one of our listing blanks some time tomorrow (Monday). These printed forms are being distributed in an effort to list every piece of property which is for sale in Tulsa. We have a very long list of prospective buyers and we feel sure that in the course of a short time we will be able to sell your property. After filling in one of these forms, either phone us and we will come and get the listing and at the same time inspect your property; or you can drop the listing in the mail and it will receive our immediate attention upon its receipt.
